Re: Michelin T 61 Tires for the BMW R80 G/S.

---

After extensive road testing, the following tires have been approved as initial equipment on the R80 G/S:

Michelin 4.00 - 18 T 61 64 R with 18 CF Tube  
and 3.00 - 21 T 61 48 R with 21 AB Tube.

These tires have a rated top speed of 170 km/h (app. 106 mile/h).

Please note that whenever a tire (outer cover) is changed, the tube should also be renewed. Make quite sure that the tire and tube are of the same make.
