Riders' Manuals -- 1986 K75 Models

Due to printing delays, the Riders' Manuals were not sent with a few early production K75's.

The Riders' Manual for these models is available through our Parts Department, under Part No.

01 47 9 798 547

If your dealership receives a new motorcycle missing the above manual, please submit a Missing Parts Claim so that your dealership can be reimbursed for the cost of the manual.

Very truly yours,
