For USA Only

Dunlop K650 Tires for the R80G/S

Information: After completing successful testing, we are able to approve the Dunlop K650 tire for the R80G/S.

Tire Size: Front: K650 3.00S 21 with 2.75/3.00 21" tube  
Rear: K65 4.60S 18 with 4.00/5.00 18" tube

The recommended top speed of the "S" tire is 180 Km/h (111 mph).

We recommend installation of a new tube when exchanging tires. Tire and tube manufactures must be identical, since they are designed as a pair.

Very truly yours,

BMW OF NORTH AMERICA, INC.
