Electrical Circuit Diagrams Supplement I

In Service Information bulletin 00 037 85 (2152) we advised all dealers of a new collection of electrical circuit diagrams which are available through our Parts Department under

Part No. 01 90 9 798 470

We are now able to offer the following supplement to the above manual. The supplement is available free of charge and can be ordered under

Part No. 01 90 9 798 473

The pages of this supplement are labeled in the lower right hand corner with "Anderung" and "Nachtrag".

Those pages labeled "Anderung" are substitutes for existing pages; the pages labeled "Nachtrag" are additional pages.

File the wiring diagrams as follows:

1. Change register page
2. Wiring diagram K75 complete with contents register -- file under "8"
3. Wiring diagram R80 / R65 complete with contents register -- file under "7"
4. Wiring diagram K100 -- under "6"
 - A. Change the contents register
 - B. Remove existing wiring diagrams
 - C. Add the supplements according to the new contents register.

Very truly yours,

BMW OF NORTH AMERICA, INC.

A handwritten signature in black ink, appearing to read 'Richard Dampf', written over a horizontal line.
