## Michelin Tires on BMW Motorcycles

**Information:** Many rumors concerning Michelin motorcycle tires have been circulating during the past year. BMW NA has continued to maintain its contact with this tire manufacturer to ensure a significant tire supply.

Our Technical Services Managers have already received phone inquiries concerning availability of Michelin tires, especially the K1 tires:

M59X and A59X

Michelin has adequate stock of these tires at their Internal Distribution Center. They have reorganized their tire distributors and the reverse side of this Service Information bulletin lists their motorcycle tire distributors in the U.S. and Canada.

Very truly yours,

BMW of North America, Inc.
