Emission Labels - 1994 Models

Information: It has come to our attention that some of the 1994 model BMW Motorcycles have a 1993 Emission Label instead of the 1994 Emission Label.

Identification: The model year is located in the upper right corner of the label.

Remedy: If you have units in stock or retailed that have the incorrect Emission Label, please call the Technical Service Hot Line (1 800 642 9253). When you call please have the following:

Dealer #

Dealer name:

VIN:

Model:

Send the sticker to who's attention:

Helpful Hint: Apply the new label over the original label as it is very hard to remove the label.
