Motorcycles: Operating Means Group No. 3/54

Dear Sirs,

Subject: BMW Telescopic fork thread grease

The telescopic fork thread grease referred to by our circular-letter Chassis (Frame) Group No. 1/54 is a special grease particularly tested in order to be used as sealing agent for the front fork union nuts.

This grease can be ordered through our Spares Division, under No. 200 1 98 001 09, in one-kilogramme cans at a net price of DM 1.90 per can.

Yours truly
BAYERISCHE MOTOREN WERKE
